**NOTICE REGARDING RECEIVING PAYMENT OF
PROCEEDS FROM SELLING FRACTIONAL NUMBER OF SHARES**

Jupiter Telecommunications Co., Ltd. (the "Company") has, pursuant to a resolution at the Extraordinary Shareholders' Meeting held on June 28, 2013, filed an application with the Tokyo District Court for a permission for private sale of a fractional number of shares of Class A Shares resulting from the allocation of Class A Shares at the ratio of 1/694,478 of a share per Common Share Subject to Wholly Call held by the shareholders (excluding the Company) recorded in the latest register of shareholders as of August 1, 2013, and on August 27, 2013, the Company received an order from the Tokyo District Court permitting private sale of the fractional number of shares.

Accordingly, in late October 2013 the Company will pay to the shareholders whose names were recorded in the latest register of shareholders as of August 1, 2013 an amount equal to the amount derived by multiplying 123,000 yen (the amount equal to the tender offer price per common share of the Company in the tender offer conducted for the Company's share certificates commencing February 26, 2013) by the number of the Company's common shares previously held by each holder of Common Shares Subject to Wholly Call. Please note that the actual date of payment may differ depending on factors such as the state of progress of administrative procedures related to the payments.

The Company will pay the amount by wire transfer to the designated accounts of shareholders who have previously designated their dividend receiving accounts. The Company will send via post a "calculation statement of fractional share disposal" to their registered addresses. For shareholders who have not previously designated their dividend receiving account, the Company will send via post, together with the "calculation statement of fractional share disposal," a "receipt of payment of fractional share disposal proceeds" or an "payout certificate," to their registered or otherwise designated addresses, so such shareholders are requested to visit their nearest Japan Post Bank (including its head office or any branches or local offices nationwide) or Japan Post (that offers bank agency services) and receive the fractional share disposal proceeds within the designated payment period.
